

Dear Drop Ship Product Subscriber:

The United States Postal Service® is adding Area Distribution Center (ADC) exceptions to the Drop Ship product. Due to this enhancement, you will see an increase in the Drop Ship ZIP CIN file of approximately 18,000 records in the July 15, 2005 product.

We previously notified you that the Drop Ship ZIP CIN file would replace the Drop Ship ZIP Carrier File. The June 15, 2005 Drop Ship product will be the last fulfillment shipped with the Drop Ship ZIP Carrier File. This should give you 30 days or more to replace the file if you have not already done so.

If you have any questions or need additional information, please contact Customer Service at 800-238-3150.

Sincerely,

A handwritten signature in black ink that reads "Janice E. Caldwell".
